

**Nevada Department of Agriculture
Division of Plant Industry
Application for a License to Sell Nursery Stock**

This application is for a license to sell nursery stock in the state of Nevada. The licensing year runs from July 1 to June 30. Questions regarding the contents of this application should be directed to the Department office in Las Vegas at (702) 486-4690. A separate application must be submitted for *each* business location, outlet, or category of license. *Licenses renewed after July 15th must include a \$10.00 late fee. **

Return the completed application and the required fee to:

Nevada Department of Agriculture / Nursery License 2300 McLeod Las Vegas NV 89104.

PENALTY FOR LATE RENEWAL: Nevada Revised Statutes, Section 555.239 requires that any license renewed after July 15th shall include a \$10.00 penalty fee. If you have not sold nursery stock during the time between the expiration of your license and the date of application for renewal, a "Non-sale of Nursery Stock" declaration must be signed to avoid having to pay the late fee. See below.

Non-sale of Nursery Stock: I hereby certify that I, the applicant signed below, for the renewal of a Nevada Nursery License has not sold any nursery stock during the period during July 1, 200__ to the date of this application.
